

ABOUT US

A project aims to equip adult educators with circular economy training, provide adults at risk of exclusion with essential knowledge and skills, and enhance their upskilling and entrepreneurial mindset. Activities include transnational meetings, a comprehensive guide, a tailored training format for educators, local activities, a hub platform, local online sessions, and active dissemination of project results.

PROJECT TOPICS

- Environment and climate change
- Inclusion of marginalised young people
- Energy and resources

PROJECT OBJECTIVES

- Provide adult educators with knowledge and methodologies to implement trainings addressed to adults at risk of exclusion as persons with lower income, lack of education or belonging to ethnic minorities interested in developing a career or entrepreneurship in circular economy industry.
- Provide adults at risk of exclusion as persons with lower income, lack of education or belonging to ethnic minorities with knowledge, skills and competences in the field of circular economy.
- Develop upskilling, entrepreneurial mindset and self-confidence of adults at risk of exclusion as persons with lower income, lack of education or belonging to ethnic minorities.
